A BILL abolishing capital punishment has been introduced in the Kan sas house of representatives.

By an agreement entered into or the 21st, the House was to vote on the Oklahoma bill yesterday at four o'clock.

WE give this week the message of Governor Humphrey. It is quite a lengthy document but is full of useful information and suggestions and will repay careful perusal,

A joint resolution has been introduced in the House, requesting the President to open negotiations with the Republic of Mexico for the cession of Lower Cal ifornia to the United States.

There is a bill before the Kansas Legislature providing for the appoint ment of a commissioner to superintend the boring of three holes, three thous and feet if necessary, west of range 25 west 6th meredian, to see what can be found. The maximum cost to be \$25,

PAWNEE BILL is reported as saying that he will move onto Oklahoma or the first of next month, "Congress or no Congress." He is going on a fool's errand. Until this land is legally opened for settlement it is the imperative duty of the government to keep squat-ters off, and of course it will be done.

By a clerical error Representative Lacy's name was placed second on the committee on claims and accounts thus depriving him of the chairman ship, as intended by Speaker Booth In addition to the above committee Mr. Lacy is a member of the committees on assessment and taxation, municipal indebtedness and county seats and county lines.
